## SHIP Mutant Order Form

Name of PI: \_\_\_\_\_

Mutant(s) ID	Order comment

### Fee structure

SHIP charge fees on per stock basis. We will not in any case realize profits on any stocks. An additional delivering and handling charge will be added for each order. Seed stocks sent to some countries require a Phytosanitary Certificate issued through the Department of Agriculture. The fee for each certificate is \$30. Additional fees per order will be added in these cases (see table below). For orders that do not require express shipping, we can ship them by DHL if you select it in order comment of the form above.

Fee per stock (non-profit)	Charge per order for all users	DHL	Phytosanitary Certificate (required for some countries)
